

Call For Furniture & Fine Craft

The Old Court House Arts Center invites you to join us for our 2017 Furniture & Fine Furnishings Show

The Old Court House Arts Center on Woodstock's Historic Square will be hosting a fine craft show focused on furniture and decorative quilts, woodwork, large ceramic pieces and metalcraft. The show will run from Thursday, May 4 to Saturday, May 27

The Gallery commission on sales is 10% to encourage sales, though there will be a \$20 entry fee per person to help us defray the cost of the show, advertising and reception.

Please respond by email with a couple of images of the work you would like to include in the show. Please note that we are located up a flight of stairs, and have no elevator so smaller furniture pieces are preferred. Please do include a book of your work if you have one, along with business cards for interested clients who visit the gallery.

Gallery Phone: 815-338-4525. Email: vicki@oldcourthouseartscenter.org
